Dear Shareholder

Placing of 14,333,334 new Ordinary Shares at a price of 150 pence per Ordinary Share and Notice of General Meeting

1. INTRODUCTION

I am pleased to inform you that the Board announced today that the Company has raised, subject to certain conditions, £21.5 million by way of a placing of 14,333,334 new Ordinary Shares at a placing price of 150 pence per Ordinary Share.

The Placing is conditional (amongst other things) upon the passing of the Resolutions in order to ensure that the Directors have the necessary authorities and powers to allot the Placing Shares for cash on a non-pre-emptive basis. A General Meeting is therefore being convened for the purpose of considering the Resolutions at 10.00 a.m. on 11 July 2014 at the offices of Schofield Sweeney LLP, Springfield House, 76 Wellington Street, Leeds LS1 2AY. The Notice of General Meeting is set out at the end of this document.

The purpose of this document is to provide you with details of, and the reasons for, the Placing and why the Directors believe it to be in the best interests of the Company and its Shareholders and, further, why they recommend that you vote in favour of the Resolutions. The Directors intend to vote in favour of the Resolutions in respect of their legal and/or beneficial shareholdings amounting, in aggregate, to 20,000,572 Ordinary Shares representing approximately 53.7 per cent. of the Existing Ordinary Shares.

2. BACKGROUND TO, AND REASONS FOR THE PLACING

Background

On the admission of the Company's share capital to trading on AIM in February 2014 (the "AIM Listing") the management team had committed to the growth of the business through discovery and development of key assets that they believe will have major impact in life sciences.

At that point the Company was looking at several projects, including orphan drug and live biotherapeutics. Further details of the Group's strategy are set out in the Admission Document, which was published on 11 February 2014 and which is available, free of charge from the Company's website www.4dpharmapl.com.

Developments since the AIM Listing

The Company has now focussed its current interests solely in the microbiome field and the use of bacteria as live biotherapeutics. The novel field of live biotherapeutics is rapidly growing and developing in both research and interest from pharmaceutical companies and has the potential to fundamentally change the traditional approach of the pharmaceutical industry. The Board believes that this field, which is a new class of therapeutics, could deliver a significant step in the healthcare market providing the opportunity to

develop medicines that show a greatly improved safety profile, greater efficacy and the possibility of targeting multiple pathways in a single disease.

At the time of the AIM Listing the Company held a 46 per cent. equity stake in GT Biologics Ltd (“GTB”), a company based in Aberdeen focussed on the development of natural bacteria as therapeutics. In March 2014, the Company announced a further investment into GTB of £1 million through a loan which can convert at £10 per share and, in line with its stated strategy to own the maximum possible stake in every asset in which it has an interest, announced on 4 June 2014 that it had increased its stake to approximately 83.5 per cent. through the acquisition of existing GTB shareholders’ shares in a share for share exchange.

Having carried out further pre-clinical work on its two candidates, Thetanix (GTB’s first programme targeting Paediatric Crohn’s Disease) and Rosburix (targeting Paediatric Ulcerative Colitis), GTB is undertaking scale up and product development, prior to commencing clinical trials.

GTB has now also developed a new platform, Micro Rx. This technology allows for the rapid screening of naturally occurring bacteria isolated from the gut that have an effect on human disease pathways potentially across all disease sectors. The Micro Rx program has focussed initially on identifying those bacteria that impact auto-immune conditions. Since the program began in May 2014, GTB has used its platform to isolate several hundred bacteria from healthy human samples, including a number of previously uncharacterised strains. The Micro Rx platform has already identified specific bacteria that influence pathways relevant to a wide range of autoimmune conditions.

On completion of screening against autoimmune conditions, the Group will focus Micro Rx to screen for and develop live biotherapeutics for other important human diseases.

Continuation of Strategy

4d pharma continues to look for and is aware of other potential developments, projects and acquisitions in the field of live-biotherapeutics that the Directors believe will help build and secure 4d pharma as the world leader in this newly emerging field.

Use of Proceeds

The Directors intend to use the proceeds of the Placing:

- to further develop Thetanix and Rosburix;
- to develop other new candidates discovered via the Micro Rx platform; and
- to identify, develop and, ultimately acquire other microbiome related projects.

3. DETAILS OF THE PLACING

The Company proposes to raise £21.5 million, by way of a conditional, non-pre-emptive placing of 14,333,334 new Ordinary Shares at the Placing Price. The Placing Shares have been placed by Zeus Capital as agent for the Company and pursuant to the Placing Agreement, with institutional and other professional investors. The Directors had considered whether the Company would be able to extend the offer of new Ordinary Shares to all existing Shareholders but, having discussed this with its professional advisers, decided that the expense of doing so could not be justified and would not be in the best interests of the Company at this time.

The Placing Price represents a discount of approximately 14.3 per cent. to the closing mid-market price of the Ordinary Shares of 175 pence on 24 June 2014 (being the last practicable dealing day prior to the date of this document). The Placing Shares will represent approximately 27.8 per cent. of the Ordinary Share capital as enlarged by the Placing and will, when issued, rank pari passu in all respects with the other Ordinary Shares then in issue, including all rights to all dividends and other distributions declared, made or paid following Admission.

The Placing Agreement is conditional upon (amongst other things) the Placing Agreement not having been terminated, the passing of the Resolutions at the General Meeting and Admission occurring on or before 8.00 a.m. on 14 July 2014 (or such later date as Zeus Capital and the Company may agree, being not later than 8.00 a.m. on 31 July 2014).

The Placing Agreement contains warranties from the Company in favour of Zeus Capital in relation to (amongst other things), the Company and its business. In addition, the Company has agreed to indemnify Zeus Capital in relation to certain liabilities it may incur in undertaking the Placing. Zeus Capital has the right to terminate the Placing Agreement in certain circumstances prior to Admission, in particular, it may terminate in the event that there has been a material breach of any of the warranties or for *force majeure*.

Application will be made for the Placing Shares to be admitted to trading on AIM. It is expected that dealings in the Placing Shares will commence on AIM on 14 July 2014.

4. RESOLUTIONS

The Company currently does not have sufficient authority to allot Ordinary Shares under the Act to effect the Placing. Accordingly the Resolutions, summarised below, are being proposed at the General Meeting to ensure that the Directors have sufficient authority to allot the Placing Shares on a non-pre-emptive basis and to renew the Company's existing general authorities to take account of the Placing.

Resolution 1: Specific authority to allot shares

Resolution 1 is an ordinary resolution to grant authority to the Directors under section 551 of the Act to allot equity securities (as defined in section 560 of the Act) up to an aggregate nominal amount of £35,833.34, such authority expiring on 31 July 2014.

If Resolution 1 is passed the Directors will have the authority, under the Act, to allot Ordinary Shares up to the maximum aggregate nominal amount of £35,833.34 (being the maximum required for the purposes of issuing the Placing Shares).

Resolution 2: Specific disapplication of pre-emption rights

Resolution 2 is a special resolution which, if passed, will empower the Directors, pursuant to section 570(1) of the Act, to allot equity securities for cash pursuant to the authority conferred by Resolution 1 up to an aggregate nominal amount of £35,833.34 on a non-pre-emptive basis, such authority expiring on 31 July 2014.

If passed, this authority, in conjunction with the authority proposed pursuant to Resolution 1, will enable the Directors to effect the Placing on a non-pre-emptive basis.

Resolution 3: General authority to allot shares and disapplication of pre-emption rights

Resolution 3 is a special resolution, conditional upon and with effect from completion of the Placing, to:

- grant authority to the Directors under section 551 of the Act to allot equity securities (as defined in section 560 of the Act) up to an aggregate nominal amount of £42,985.70 (being equal to approximately one-third of the issued share capital of the Company immediately following Admission); and
- empower the Directors, pursuant to section 570(1) of the Act, to allot equity securities for cash and to sell treasury shares pursuant to such authority on a non-pre-emptive basis in relation to rights issues and otherwise up to an aggregate nominal amount of £6,477.85 (being equal to approximately 5 per cent. of the issued share capital of the Company immediately following Admission).

These authorities will be in addition to those being proposed to be given to the Directors pursuant to Resolutions 1 and 2 in order to effect the Placing; but will then replace existing authorities which the Company currently has in place under sections 551 and 570(1) of the Act. These new authorities will expire on the conclusion of the Company's annual general meeting to be held in 2015 or 10 May 2015, whichever is earlier; the same expiry date as the existing authorities.

Resolution 1 is an ordinary resolution and requires a majority of more than 50 per cent. of the Shareholders voting to be passed. Resolutions 2 and 3 are special resolutions and require the approval of not less than 75 per cent. of the Shareholders voting to be passed. If Resolutions 1 and 2 are not passed by the requisite majority, the Placing will not proceed. Resolution 3 is in any event conditional upon completion of the Placing.

The Notice of General Meeting is contained at the end of this document and sets out the Resolutions in full. The General Meeting is to be held at the offices of Schofield Sweeney LLP, Springfield House, 76 Wellington Street, Leeds LS1 2AY at 10.00 a.m. on 11 July 2014.

5. ACTION TO BE TAKEN

Enclosed with this document is a Form of Proxy for use at the General Meeting. **Whether or not you intend to be present at the General Meeting, you are requested to complete, sign and return the Form of Proxy to the Company's registrars, Capita Asset Services, so as to be received as soon as possible and, in any event, not later than 10.00 a.m. on 9 July 2014.**

If you complete and return the Form of Proxy, you may still attend and vote at the General Meeting should you wish to do so. Shareholders who hold their Ordinary Shares through a nominee should instruct their nominees to submit a Form of Proxy on their behalf.

6. RECOMMENDATION

The Directors consider that the Placing and the Resolutions are in the best interests of the Company and its Shareholders as a whole and accordingly recommend that Shareholders vote in favour of the Resolutions, as they intend to do in respect of their own legal and/or beneficial shareholdings, amounting, in aggregate, to 20,000,572 Ordinary Shares (representing approximately 53.7 per cent. of the Existing Ordinary Shares).

Yours faithfully

David Norwood
Non-Executive Chairman

To be effective, the appointment of a proxy, or the amendment to the instructions given for a previously appointed proxy, must be received by the Company's registrars by the method outlined in note 7 above not less than 48 hours before the time and date scheduled for the Meeting. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Appointment of proxy using CREST electronic proxy appointment service

9. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) of it by using the procedures described in the CREST Manual (available from <https://www.euroclear.com/site/public/EUI>). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a **CREST Proxy Instruction**) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (**EUI**) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (ID: RA10) by the latest time(s) for receipt of proxy appointments specified in this notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Termination of proxy appointments

10. Completion and return of the form of proxy will not preclude a member from attending and voting in person at the Meeting.

11. In order to terminate the authority of a proxy, or a corporate representative of a corporation, you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke such appointment to the Company's registrars. To be effective, the notice of termination must be received by the Company's registrars by the method outlined in note 7 above no later than 24 hours before the time and date scheduled for the Meeting.
